Utah Housing Matters Conference Report

The Eighth Annual Utah Housing Matters Conference was a huge success!! Held at the Homestead Resort, we had 150 attendees, great, informative presenters, an insightful and slightly controversial keynote, and we were pleased to hear from the lieutenant gubernatorial candidates. Those in attendance were treated to a great spread of workshops as well as meals. We would like to thank the organizing committee for their dedication and hard work to create another wonderful conference this year. We have outgrown the Homestead Resort and next year will be at the Park City Marriott on September 12 & 13, 2005. Mark your calendar now for this exceptional conference!

A short program will take place beginning at 8:00 a.m.

You will also have the opportunity to contact your legislators and talk to them about your projects and concerns.
