Utah Housing Coalition has been organizing the **premier housing conference** for the past 26 years. We are a group of diverse organizations committed to meeting the need for decent, safe, and affordable housing. Founded in 1973, the *Utah Housing Coalition promotes affordable housing for all Utahns*. We are a private nonprofit 501(c)(3) corporation.

We would like to extend an invitation to
Sponsor our 26th Annual
“Utah Housing Matters” Conference
August 29 – August 31, 2022
Zermatt Resort – Midway, Utah

Thanks to our past generous sponsors, we have been able to deliver a quality conference with National, Regional and Local leaders sharing their knowledge and their view of increasing housing people can afford. We plan to offer 30 workshops and plenaries and our goal is to have 350 people in attendance.

We are in the beginning stages of planning and have a talented and diverse group of affordable housing practitioners on the planning committee. With a focus on equitable housing and our continued emphasis on multi-sector collaboration, this year's conference will include speakers from various sectors throughout the community, creating a dialog around the necessity of housing and its relation to all facets of life.

Your support will be acknowledged according to the sponsor level you choose from the enclosed sheet. Please confirm your commitment with the form provided by June 30th and your sponsorship will be acknowledged in our pre-conference emailing and website marketing of the event. If you need additional information, please don't hesitate to contact us.

We hope you will join us in sponsoring this premier conference.

Very truly yours,

Tara Rollins
